Teddington Park Road, TW11

Located moments from the High Street in this popular residential road is this beautiful Edwardian home. This four double bedroom property is presented in excellent condition with plenty of period charm.

Enter into the hallway which leads through to a gorgeous reception room with a large bay window and feature fireplace. Leading into the back of the house you are greeted with a wide kitchen/diner and exposed brickwork making for the perfect entertainment space. There are stripped wooden floors in the kitchen, as well as high ceilings and plenty of natural light. From this space and the hallway there is access onto a another reception room.

There are three large bedrooms on the first floor, the principle bedroom is impressive with bespoke fitted wardrobes and in addition there is a newly fitted family bathroom. The fourth double bedroom to the top floor is incredibly spacious and there is a separate family bathroom. The garden is lovely and private and not overlooked with rear access.

Teddington Park Road is an excellent spot for transport and access to Teddington High Street, Bushy Park and The River Thames along with school catchment.
