**PERSONAL • PROFESSIONAL • PROACTIVE**

This substantial six-bedroom detached home offers generous accommodation across three well-planned floors and sits within the ever-popular village of Dunchurch, a setting that families are naturally drawn to. The ground floor creates an inviting sense of space from the moment you step inside, with an entrance hall leading to a comfortable lounge, a separate dining room ideal for family meals and celebrations, a study for work or homework time, a well-appointed kitchen, a utility room and a guest w.c.

The first floor brings together four bedrooms, two of which enjoy their own ensuite shower rooms, giving busy households the privacy and flexibility they need. The top floor provides two further bedrooms and a stylish bathroom with a four-piece suite, creating a perfect retreat for older children, guests or multi-generational living.

Outside, the property offers gardens to the front and rear, off-road parking and a double garage, giving families plenty of room for play, storage and everyday convenience. Additional benefits include UPVC double glazing and gas radiator heating.

Dunchurch itself is a village that blends everyday practicality with a warm, traditional charm. Families appreciate the choice of local shops, restaurants and schooling for all ages, while the historic buildings and leafy streets create a relaxed, welcoming atmosphere. Positioned on the south-western edge of Rugby, the village offers easy access to the town centre, major motorway networks and Rugby railway station, where direct services run to London Euston and Birmingham New Street. It's a location that offers the calm of village living with the connectivity modern family life demands
