General description

This immaculately presented, substantial four-bedroom detached family home offers an exceptional standard of contemporary living, beautifully blending elegant character features with high-end modern design. Spanning an impressive 239.4 square metres (2,577.3 sq. feet) across three thoughtfully designed storeys, the property boasts a highly versatile layout, perfect for growing families and those who love to entertain. From the moment you arrive, the property commands attention with its excellent kerb appeal, featuring a low-maintenance gravel driveway providing ample, multi vehicle off-street parking and a striking oak-framed storm porch. Stepping inside, the welcoming entrance hall sets a sophisticated tone with its geometric black-and-white patterned tiling, feature oak staircase, and clever custom-built pull-out under-stairs storage drawers. The ground floor flows seamlessly into multiple distinct living areas. To the front sits a generous, light-filled living room centered around a prominent bay window fitted with premium plantation shutters and a warm mustard-yellow accent wall. Towards the centre of the home is a cosy sitting / media room with stylish LVT, herringbone wood-effect flooring and 2 sets of contemporary black-framed glazed doors, the first set open directly into a private home office workspace and the second set of the stylish, modern feature doors lead to the open plan living kitchen.

The true showpiece of the ground floor is the spectacular open-plan living / dining, kitchen : a true family hub, at the rear of the property . This magnificent space is flooded with natural light courtesy of a large central roof lantern and wide sliding glass doors that frame the garden views and open on to the patio. The high-end shaker kitchen features soft grey cabinetry, an extensive run of full-height pantry cupboards, stacked double Neff ovens, and a substantial central island topped with a white quartz worktop. Complete with a breakfast bar seating area , an integrated Neff hob with integrated extractor and an under-counter wine cooler, the living kitchen transitions effortlessly into dedicated zones for a family dining table and informal sofa seating. Serving the practical needs of a busy home, there is a matching utility room, reached via the fitted, bespoke boot room with a comprehensive range of storage cupboards and boot bench with coat hooks and hat shelf over. Off the boot room is a pantry, next to the kitchen, as well as, a modern two-piece downstairs WC/ cloakroom; a separate storage room, reached from the front driveway, completes the ground floor layout.

On the first floor, a central landing connects three exceptionally well-proportioned double bedrooms. The principal bedroom has a large walk-in wardrobe with double pocket doors, both this bedroom and the large second bedroom enjoy aspects across the garden and cricket ground . Bedroom three is also a large double room which has an aspect to the front. These bedrooms are served by a modernised family shower room with a glass-screen and walk-in double shower with a rainfall shower head and secondary hand-held shower attachment; a traditional pedestal basin and a wall mounted chrome towel radiator; adjacent is a room with a separate WC. The second floor comprises a fourth double bedroom showcasing exposed architectural timber beams, sloped ceilings, and a clever built-in bed alcove. This room features a dormer window which looks out on to the garden and expansive cricket green. Accompanying this suite is an exceptionally spacious bathroom with a four-piece suite comprising a wood-panelled standalone bathtub, a separate shower cubicle, a pedestal sink and low flush WC.

The outdoor spaces are equally spectacular and serve as a natural extension of the internal living accommodation. The landscaped and private rear garden features an expansive porcelain tiled patio area that wraps around the property, offering a premium setting for alfresco dining and entertaining. A state-of-the-art, black aluminum L-shaped pergola creates a fabulous outdoor lounge zone, bordered by modern dark-rendered raised planters. Beyond the patio, a well-manicured central lawn stretches down the length of the plot, flanked by high, dense mature privacy hedging and a long gravelled utility pathway leading to a standalone timber summerhouse/store. Occupying a rare and highly enviable position, the property backs directly onto an expansive, beautifully maintained local cricket ground, providing idyllic, uninterrupted green space views that complete this truly unique and desirable home.
