THE PROPERTY

2 Prout Bridge is a fine attached Georgian house together with a detached cottage and lovely extensive gardens, ideally located in the heart of Beaminster town.

The property dates back to circa 1820 with subsequent later additions in the early 1900s. It has lovely natural stone elevations and is Grade II Listed, of architectural or historic importance.

Under the current ownership since 2011 the property has undergone a comprehensive programme of high quality and sympathetic improvement together with the conversion of the former coach house/garaging to provide a lovely quality detached cottage annexe.

The house offers extensive and versatile accommodation arranged over three floors, enjoying views over the town and the surrounding countryside and hills. A whole number of character features have been retained, typical of its period, including window seats, exposed beams, flagstone flooring and vaulted beamed ceilings to the upper floors.

The impressive specification includes gas-fired central heating, fire alarm system, quality designer kitchen (Charles Yorke - with contemporary units including breakfast cupboard, granite worktops with compost bin, gas 2-oven Aga, Miele steam combination oven, oven/microwave, induction hob, griddle, pop-up extractor fan and wine cooler, Zip boiling water tap, water softener, custom oak cupboards in hallway, Amtico flooring), attractive quality bathroom/shower room fittings.

The detached cottage annexe (known as Ammonite Cottage) has been specifically designed for the elderly and also used in the past for holiday lettings. Again, it is offered to a very high standard of finish and specification with gas central heating, well equipped kitchen with electric oven and hob, and attractive quality bathroom/shower room fittings. The cottage would be ideal for a range of uses i.e. dependent relative, family/guest suite, someone working from home, long term or holiday lettings.
