CHARMING THREE BEDROOM PERIOD
COTTAGE, TUCKED AWAY ON A PRIVATE
CUL-DE-SAC

Guide Price £285,000 Freehold

A TRULY INDIVIDUAL THREE BEDROOM PERIOD COTTAGE, TUCKED AWAY ON A PRIVATE CUL-DE-SAC WITHIN EASY REACH OF ARNOLD HIGH STREET. RICH IN CHARACTER AND ORIGINAL FEATURES, THE PROPERTY IS UNDERSTOOD TO HAVE HISTORIC CONNECTIONS WITH THE FORMER SURGEY'S LANE ISOLATION HOSPITAL AND OFFERS SPACIOUS ACCOMMODATION, COTTAGE-STYLE GARDENS, OUTBUILDINGS, A DOUBLE CARPORT AND GARAGE.

Robert Ellis are delighted to bring to the market this charming and highly individual period cottage, occupying a particularly private position tucked away from the road on a cul-de-sac off Surgey's Lane, whilst remaining within easy reach of the shops, amenities and facilities available on Arnold High Street.

This is a home with a fascinating history. The property is understood to have connections with the former Surgey's Lane Isolation Hospital, with historical records showing that Arnold Local Board made provision for premises for patients as far back as 1888, and archive records confirming an Isolation Hospital on Surgey's Lane during the early twentieth century.

Today, the property retains a wealth of original character and period features, including exposed beams, traditional fireplaces and attractive brickwork, which combine to give the cottage a warmth and individuality rarely found in more modern homes.

The accommodation includes an entrance lobby leading into the first of two generous reception rooms. The first reception room features an attractive cast iron open fireplace with exposed brick surround and tiled hearth, exposed decorative beams and a feature circular window. An archway leads through to the second reception room, where the character continues with further exposed beams, wall panelling and a feature fireplace incorporating a cast iron multi-fuel burner.

Beyond this is the spacious dining kitchen, a fantastic everyday living space which benefits from windows to the front, side and rear elevations. There is a range of fitted wall and base units, an integrated NEFF double oven, five-ring gas hob and ample room for a dining table, with a door providing direct access into the garden.

The property provides three bedrooms, including two particularly well-proportioned first-floor rooms with built-in wardrobes. The family bathroom is fitted with a four-piece suite comprising a bath, wash hand basin, WC and separate walk-in shower.

The outside space is another major feature of this unique home. There are established cottage-style gardens with mature trees and shrubs, together with paved patio and seating areas creating a particularly attractive and private setting. There is also a useful outbuilding/workshop with light and power, a double carport, freestanding garage and driveway providing off-road parking.

The property's tucked-away location gives it an almost secluded feel, yet Arnold town centre and High Street are conveniently close by, providing an excellent range of shops, amenities, transport links and facilities.

This is a genuinely distinctive home where history, character and location come together. We strongly recommend an internal viewing to fully appreciate the accommodation, original features and wonderfully private setting this cottage has to offer.
