

Woodlands Road, Redhill

£1,400 Per Month

"Woodlands Road has been a fantastic first home. Its location has been very convenient, a few minutes' walk to Earlswood Station which has excellent commuter links into London. It's also easy to walk to both Redhill and Reigate for shopping and restaurants. Just a few meters from the apartment you reach Redhill Common which has stunning views and is a lovely place for a walk on a summer's day."

Ralph James are delighted to present this one-bedroom apartment located at the edge of Redhill town offering you short walks to the local shops, parks, and stations with quick transport links. Entering in through your own private entrance you step straight into the kitchen/living space.

The open plan design is great for socializing, with the kitchen being separate whilst still allowing you to catch up with friends. The breakfast bar spot means you can perch whilst dinner is cooking away and enjoy a glass of wine before finishing up and heading to the sofa to put your feet up. The current owner has utilised the space on offer to make this a warm and inviting home that oozes with natural light all year round through sash windows.

Stairs lead you up to the impressively-sized master bedroom. This room offers you a generous amount of space to add in plenty of additional furnishings along with your king-size bed and the built-in wardrobes means you don't need to waste any more space. The bathroom has a tiled finish from top to bottom with a built-in unit under the sink and tub with an overhead shower.

Along with the communal gardens, this apartment also comes with its own private deck where you can set up the BBQ and garden furniture to bask in the hot summer sun and enjoy the long warmer evenings. If you like to get out for some fresh air, Redhill Common is just a 5-minute walk away and offers some breath-taking panoramic views of the surrounding town and countryside.
