PERSONAL • PROFESSIONAL • PROACTIVE

A particularly attractive stone built four double bedroom detached family home, occupying a corner position on the popular Marina Gardens development at St Crispins. Built by Persimmon Homes to their sought after Poppy design, this is one of only two properties of this particular style on the entire development, offering spacious and versatile accommodation arranged over three floors.

The ground floor is centred around an excellent kitchen/dining room, providing plenty of space for a large dining table and making it ideal for both family life and entertaining. French doors open directly onto the rear garden, while the generous dual aspect lounge provides a separate and comfortable living space. The entrance hall and cloakroom/WC complete the ground floor. On the first floor is the particularly impressive principal bedroom, a substantial dual aspect room with built in wardrobes and its own en-suite shower room. There is a further double bedroom together with the family bathroom. The second floor provides two additional double bedrooms and a spacious landing with natural light and room to create a useful study/home-working area, adding further flexibility to the accommodation.

Outside, the enclosed south east facing rear garden offers a paved entertaining area and lawn, with gated side access. A driveway provides off road parking for two vehicles and leads to the single garage.

The property is ideally positioned for families, with a wooden children's play park approximately two minutes' walk away, along with good access to local schooling, amenities and transport links.

A distinctive and generously proportioned family home in a highly convenient location. Early viewing is highly recommended.
