Set on one of Willesden Green's pretty residential, tree-lined turnings, Stanley Gardens is a beautifully refurbished six-bedroom family home that balances period grandeur with modern design. Spanning approximately 2,642 sq ft across three generous floors, this is a substantial house that has been thoughtfully renovated.

Oli and Liana are delighted to be appointed as sole agents for this exceptional family home on Stanley Gardens, a house that combines substantial living space with one of NW2's strongest community settings, a serious family house on a proper residential street.
