Property Description

Situated at the end of a quiet close within a highly sought-after development in Green Street Green, this deceptively spacious and immaculately presented five-bedroom, two-bathroom end-of-terrace home offers approximately 1,494 sq ft of versatile living accommodation, ideal for modern family life.

Occupying a rare double-width plot, the property stands out from others on the development, benefiting from a larger than average rear garden and off-street parking for multiple vehicles—a significant advantage in this location.

The home has been thoughtfully extended and improved, including a full-depth side extension and garage conversion, creating an impressive 25' dual-aspect kitchen/breakfast room with direct access to the garden—perfect for entertaining and everyday family living.

The flexible layout is arranged over three floors and is particularly well-suited to larger families, home working, or multi-generational living. The ground floor provides two double bedrooms, a modern shower room, and a utility/WC, offering excellent guest or independent living space.

To the first floor, there are two generous reception rooms including a bright and spacious lounge and separate dining room, creating ideal areas for relaxing and entertaining. The top floor comprises three further bedrooms and a contemporary family bathroom.

Externally, the property continues to impress with a well-maintained rear garden featuring patio and lawn areas, ideal for outdoor dining and family use, along with side access and a private driveway to the front.

Ideally located for well-regarded local schools, including Warren Road and Green Street Green Primary, as well as excellent transport links via Chelsfield Station and nearby amenities in Green Street Green and Orpington town centre.

Recently adjusted to reflect current market conditions, the sellers are motivated and keen to secure a proceedable buyer.
