**If YOU LIVED HERE...**

Arranged across a well-considered layout, the apartment opens onto a long hallway that keeps the living spaces nicely separate from the bedrooms. At the far end, the reception room is a bright and welcoming space with large windows drawing in plenty of natural light. There is ample room for both lounging and dining, with warm wood flooring underfoot and a soft, neutral palette that gives the room a calm feel. From here, an archway leads through to the kitchen, neatly arranged with shaker style cabinetry, tiled splashbacks and thoughtful storage.

Both bedrooms are well proportioned doubles. The principal bedroom offers generous floor space and room for

wardrobes, while the second bedroom works beautifully as a guest room, nursery or study. Each is simply styled in clean tones, allowing the light to bounce gently around the rooms. The bathroom is finished in a classic scheme, with white tiling, a full bath and overhead shower, all carefully maintained.

**WHAT ELSE?**

Clapton Station close by, with regular Overground services to Liverpool Street and convenient links across East London.

Within easy reach of independent favourites along Lower Clapton Road, including Casey's and Hai Cafe.
