Offered for sale with no onward chain is this deceptively spacious and well- improved detached bungalow, situated in one of Ferring's premier roads.

In brief the accommodation comprises spacious entrance hall with access to loft space and two large storage cupboards, feature triple aspect lounge/diner with French doors opening onto the superb UPVC double glazed conservatory. The master bedroom boasts an en suite shower room with w/c, and there is a separate family bathroom and a double aspect second bedroom. The property comes with a modern fitted kitchen with feature Velux window.

Externally, the front garden is laid predominantly to lawn. There is off road parking which leads to a good sized garage housing space for a washing machine There is a personal door to the rear garden which is a particular feature of the property, being extremely well stocked with a profusion of tree and shrub lined borders, two timber sheds and a greenhouse. There is also an area of patio.

Other benefits include gas central heating and double glazing. In our opinion, internal viewing is considered essential to appreciate the overall size and condition of this beautiful bungalow.

Situated in Highdown Way, the property is ideally located being just a short walk to Ferring village with its comprehensive range of shopping facilities, and the superstore is also close at hand. Buses serve the area and the nearest mainline railway station is Goring-by-Sea, which gives great links to most major towns and cities.
