This attractive four-bedroom detached home, is situated within the popular Moorhayes area of Tiverton.

The current owners have made a number of improvements, creating a particularly well-presented family home which is ready to move straight into.

A double-width brick-paved driveway provides off-road parking and leads to the integral garage. From the entrance hall, stairs rise to the first floor with a useful cloakroom beneath.

The sitting room is a comfortable and welcoming space, with a recently installed log burner and bespoke slate surround providing an attractive focal point. New flooring has also been laid across the ground floor.

To the rear, the modern kitchen is fitted with an extensive range of worktops, units, integrated appliances, contemporary extractor and built-in ovens. It opens into the dining area, with doors leading directly onto the rear garden.

Alongside is a separate utility room with further storage, sink, space for white goods and access to both the garden and integral garage.

Upstairs are four bedrooms. The main bedroom overlooks the rear and benefits from fitted and walk-in wardrobe space, feature wall panelling and a modern en-suite shower room.

There are two further double bedrooms together with a smaller fourth bedroom, currently well suited as a nursery, office or occasional bedroom. The family bathroom is also finished in a modern style with a shower over the bath.

Further improvements include newly fitted air conditioning, together with recently laid carpets to the stairs and first-floor landing, adding to the excellent overall presentation.

Outside, the private, rear garden has been transformed into an attractive and very low-maintenance space. Porcelain paving provides a generous patio area, complemented by artificial lawn and a further decked seating area, creating several places to sit and enjoy the garden.

Moorhayes is a well-established residential area of Tiverton, with the town offering a good range of schools, supermarkets, leisure facilities, doctors and hospital services. The A361 provides convenient access to the M5 and, in the opposite direction, towards North Devon and its coastline.
