A bright and spacious main bedroom with walk-in wardrobe and en-suite bathroom, a further two good-sized bedrooms, also a separate utility cupboard, and a storeroom provide ample storage space.

9 Millbank's defining feature is the rich mix of old and new – the restoration of a stunning 1920s Grade II listed building into homes that exemplify contemporary sophistication and capture the very essence of British luxury and style. Along with the original office building, the impressive former Imperial Chemical Industries' (ICI) headquarters, a new building Millbank Quarter was created alongside to complement and enhance the entire development.

For residents' comfort, all properties in 9 Millbank have underfloor heating throughout, and comfort cooling to all reception rooms and bedrooms. Residents benefit from a 24-hour concierge, 5 facilities including swimming pool, spa, gym, cinema and courtyard garden.*
