Newby, LA2 8HR

One of the lesser known hamlets and all the more special for it, Newby, in the parish of Clapham-cum-Newby, sits at the foot of magnificent Ingleborough, one of the famous Three Peaks and is just outside The Yorkshire Dales' boundary. The open beauty of the surrounding fells, crags and limestone pavements has been loved for generations - this is your opportunity to live in it. The village itself has a chapel, village green and a café (Goat Gap). You probably don't need an introduction but just in case, here's our whistle-stop tour!

It's perfect if you love any aspect of outdoor life - the **Yorkshire Dales National Park** and neighbouring **Forest of Bowland National Landscape** as well as the **Lake District National Park** and the **Lune Valley** offer something for everyone. The Three Peaks (Ingleborough, Pen-y-ghent and Wharfedale) and White Scar Caves are all close by.

Here you are surrounded by great towns, villages and local amenities - **Clapham** (1.7 miles), **Ingleton** (3.3 miles), **Giggleswick** (7.5 miles), **Settle** (8 miles) and **Kirkby Lonsdale** (9.7 miles). Between them you've everything pretty much covered with a good range of commercial and recreational amenities.

Ingleton is a tourist destination with a choice of eateries, the Mason Arms public house, a church, doctor's surgery, gift shops and an outside heated pool as well as the fabulous Waterfalls Walk. For general supplies, there's a Co-op and an Asda Express/petrol station. The charming village of Clapham has a selection of local facilities including an award-winning community run village store, a church and village hall, a pub with letting bedrooms (The New Inn), guest houses and cafés and a nature trail through beautiful woodland leading to Ingleborough Cave, which is open to the public. All in all, **a great community to join**.

There's also a number of **excellent independent retailers** in the area including The Courtyard Dairy (a speciality cheese shop), Growing with Grace (an organic farm shop), Seasons Bakery (try their award winning sourdough!) and Country Harvest (a one stop shop for its deli, gifts, clothes and cafe).

Further afield, Lancaster (19.6 miles), Skipton (22.9 miles) and Kendal (23 miles) - all with historic castles, weekly markets, canals and further education establishments. Lancaster and Oxenholme, Kendal (20 miles) also have stations on the West Coast mainline so you've good access to major cities and Settle has a branch line station on the famous and historical Settle to Carlisle line.

Putting education first - primary schools are in Ingleton, Giggleswick and Austwick. There are secondary schools at Settle, Lancaster and Kirkby Lonsdale, as well as Boys' and Girls' Grammar Schools at Lancaster and Skipton. Independent schools are at Sedburgh (with the Preparatory school at Casterton) and at Giggleswick.

If you want to stand out from the crowd with your property choice and not settle for anything distinctly average, then consider this!

Converted from the former village school in the early 1980's, later extended and then fully refurbished by the current owner since their purchase in 2016, Old School House is a welcoming, detached property with a versatile and sociable layout, wonderful natural charm, extremely light and bright spaces (it's south facing!) and a gross internal measurement of 2179 sq ft (202.4 sq m) excluding the cellar.

Situated in a desirable and idyllic hamlet setting, slightly elevated overlooking the village green, the property also enjoys splendid countryside views to the front and rear and delightful gardens.

Currently offered as a very successful Airbnb, an en suite bedroom on the ground floor with external access is hugely popular with walkers and climbers visiting the area. This space is also perfect for a dependent relative or visiting family and friends.

We certainly recommend viewing, but for a taster, let us take you on a tour...

Stone steps lead to a **verandah entrance** and into the **part double height hall** with stone flag floor. Off here, is a two piece **cloakroom** with a tall window and a copper wash basin set on a wrought iron former sewing machine table with wood top and a WC with high level cistern.

The dual aspect **studio/bedroom 4** also has a skylight window and glazed double doors which allows the natural light to flood in.

The vaulted **sitting room**, open to the living/dining kitchen, is double height and has a skylight window and three tall windows, which have shutters to the lower panes. There is a wood burning stove set on slate hearth. Two stone steps lead down to the welcoming and sociable **living/dining kitchen** with windows (part shuttered) to the southerly and westerly elevations. There's a base unit, slate worktop, double pot sink, freestanding unit with wood worktop, Neff oven and induction hob and space for an undercounter refrigerator. A feature leaded glazed panel separates the kitchen from the **boot room** with stable door to outside and also a practical **utility/laundry room** with sink unit, wood shelving and space for an undercounter washing machine and tumble dryer.

To complete the ground floor, **bedroom 3** (shaded blue on the floor plan) has a **kitchenette**, glazed double doors out to a circular **seating terrace** and a **shower room**.

Off the hall, a staircase leads to a **gallery landing** with glass balustrade, skylight window and lovely views across rooftops to open countryside. This space would be perfect as a library, study or office. Off the landing is a built-in cupboard with hot water cylinder, a **house bathroom** with three piece suite and large skylight window with a splendid outlook and bedroom 2 with low level windows

Off here, a short flight of stairs lead down to the generous **principal bedroom** (formerly two rooms) with skylight window and windows to one wall from which to enjoy the lovely outlook. The spacious **en suite four piece bathroom** has countryside views, a free standing roll top bath, walk-in shower and pot sink set on a console table.

Outdoor space

A five bar gate with pedestrian provides access into a gravelled drive with circular sets. There's further **parking** to the west of the front garden for two vehicles, covered in the spring by a fragrant wisteria and with wrought-iron railings and stone steps up to the garden.

Access to a full height **cellar** with battery storage for the solar panels, power and light is via a trap door (restricted access) on the verandah.

A detached **open fronted garage/store** with power and water is situated to the east of the house. There is also an attached **insulated workshop**, c. 16' x 8' (4.88 m x 2.44 m) with power, light, skylight and window, which could be converted, subject to consent.

Delightful, mature private gardens surround the property and are a haven for wildlife. To the east, stone steps lead to a lawn, deep planted beds, **pond, covered deck**, stone bench and stone steps up to another stone bench, set against the stone wall boundary with an opening in the planting to provide wonderful views across fields to the fells.

To the south, is a garden with gravel paths, shrubs and roses. Around to the west, is a **greenhouse, potting shed** and **garden store** and to the north a circular seating terrace, wood bench, gravel path and elevated garden with lawn, fruit trees (apple and plums), blackcurrant, gooseberry, rhubarb, herb garden and a banking of shrubs.
