"Opening the curtains in the morning with the view directly over the park while having a morning coffee in bed is bliss and something we're trying not to take for granted! The position here right by the huge park and being such a short walk from the harbourside, Wapping Wharf, as well as shops on North Street, Wells Road, and East Street simply makes life so convenient and easy. Parents who don't drive anymore have found it so convenient visiting us by train with such a short walk to Temple Meads"
