Property Description

A spacious and versatile detached chalet home with harbour glimpses, generous parking and excellent potential for multi-generational living.

This particularly spacious detached chalet property has been significantly extended by the current owners and offers highly flexible accommodation, well suited to families or those seeking adaptable living arrangements across two floors. Occupying a prominent corner plot, the property enjoys some harbour glimpses and is ideally positioned just a short distance from Holes Bay and Cobbs Quay Marina.

The accommodation is centred around a large open plan reception hall, creating an immediate sense of space, with stairs rising to the first floor.

To the rear of the property lies the kitchen/dining room, a key feature of the home, fitted with a range of units, breakfast bar, oven and hob, and space for additional appliances. Two sets of double doors open directly onto the rear garden, making this an excellent space for both everyday living and entertaining.

Also on the ground floor is a separate sitting room, two well-proportioned double bedrooms and a shower room, providing flexibility for family members, guests or ground-floor living if required.

The first floor offers a generous landing area, ideal for use as a home office or study space, with pleasant harbour glimpses.

The principal bedroom is notably spacious and benefits from a walk-in wardrobe and a modern en-suite shower room. A further large double bedroom could, if desired, be divided to create two rooms, while the family bathroom is fitted with a three piece suite.

Externally, the property continues to impress. To the front, driveway parking is available for several vehicles, while a second driveway, accessed via a gate at the rear of the plot, leads to a detached garage and workshop. The garage and workshop include power and light.

The rear garden enjoys a good degree of seclusion and has been designed for low maintenance, featuring artificial grass, a patio area and a summer house, ideal for outdoor relaxation.
