Description

This much loved home has been beautifully maintained by the current owners. A storm porch shelters the front door, which leads into the hallway, with a handy toilet and coat storage off. The spacious through living/dining room features patio doors to the garden and provides ample space for lounge and dining furniture. The kitchen overlooks the front aspect and has been stylishly upgraded during its current ownership. There is an array of wall and base units housing an oven, hob, extractor fan and providing space for further white goods.

Off the first floor landing are two bedrooms, an airing cupboard and loft access. Each bedroom has built-in storage, the principal boasts its own en-suite toilet, which used to also be a shower room and so this could be reinstated with relative ease. The family bathroom has been converted to a luxury shower room with vanity storage and a back lit mirror.

Outside the rear garden has been designed with low maintenance in mind and mainly laid to patio, with fencing for privacy and softened by mature planting with handy rear access. The pretty front garden leads to on road parking and around to the property's own en-bloc single garage, nicely lit after sunset.
