# Flotilla House

Battersea Reach | Juniper Drive

London | SW18 1FX

Guide price £600,000

A bright two bedroom apartment with a private west facing balcony in the award winning Battersea Reach development, quietly positioned along the banks of the River Thames.

- 24 Hour Concierge
- Private Balcony with river views
- Secure underground parking
- Communal landscaped gardens
- Fifth floor (lift access)
- Residents gymnasium
- Open Plan kitchen/living room

Apartments with this aspect are particularly popular within the development for the quality of afternoon and evening light they enjoy.

The apartment offers well balanced lateral living with a generous reception room opening directly onto the balcony. The space has a clean, modern feel throughout, complemented by a contemporary open plan kitchen with high quality integrated appliances and a fresh, understated finish that sits comfortably within the room.

The private balcony faces west and catches the afternoon and evening sun, with partial views towards the Thames. It is an easy place to sit at the end of the day while watching the light move across the river.

Both bedrooms are well proportioned. The principal bedroom benefits from built in wardrobes and an en suite bathroom. The second bedroom sits alongside the main bathroom and works equally well as a guest room, home office or additional living space depending on how the next owner wishes to use it.

Battersea Reach is widely regarded as one of the best managed riverside developments in the area. Residents benefit from a 24 hour concierge, a well equipped residents' gym and secure underground parking, alongside landscaped communal gardens and direct access to the Thames Path which runs along the river. Many residents choose to stay here for years which says a lot about the way the development is run and the community that has formed. The riverside walk connects easily along the Thames towards both Chelsea and Putney and is particularly popular with residents in the early morning and evening. From nearby Plantation Wharf Pier the Thames Clippers river boat provides a relaxed and often surprisingly quick route into central London, stopping at Battersea Power Station, Chelsea Harbour, Blackfriars and Canary Wharf.

The development also works well from a practical point of view with useful amenities on site including a Tesco Express, cafés, a Young's waterfront pub and restaurant, a nursery and a small selection of local services, giving the development a convenient and village like feel. Clapham Junction and Wandsworth Town stations are both within easy reach, providing fast connections into central London, while bus routes run regularly through the surrounding area. Wandsworth Town has developed a strong neighbourhood feel in recent years with a growing selection of independent cafés, restaurants and local shops. Southside Shopping Centre provides further convenience with a cinema and a wide range of retailers, while just across the river the King's Road offers an established mix of boutique shopping and dining. For those looking for a well run riverside development with strong transport connections and a genuine neighbourhood feel, Battersea Reach continues to be a very popular choice.
