Outside

Situated at the end of a very small cul de sac, a brick paved drive gives off road parking for two cars and leads to the attached garage. The brick pathway extends to the front of the bungalow with an extended area to provide a patio. To the front there is a low maintenance slate gravelled garden area with shrubs and trees.

The main garden is found to the rear and riverside of the property with a recently paved patio adjacent to the dining room being a peaceful and private area to sit outside to enjoy the sunny south westerly aspect. There is a well fenced gently sloping lawned garden with various bushes, and covered storage area, as well as an external power point, light and tap.

One of the main features of Hafan Y Nant is the newly built and spacious (4.4m x 3.7m) timber deck patio that extends over a small stream and incorporates a Sycamore tree. This is a quiet and private area and perfect spot to enjoy the wildlife around the stream, including red squirrels in the nearby trees.. the remainder of the sloping gardens which extend down to the stream are purposefully left natural with numerous shrubs and trees.

Garage 18'10" x 8'5" (5.75 x 2.59)

With power and light.
