59 The Waterfront

Hertford, SG14 1SD

OFFERED CHAIN FREE - Set within the highly regarded The Waterfront development, this beautifully presented two-bedroom ground-floor apartment enjoys an enviable riverside setting in the heart of Hertford. Built in 2006, the development combines a waterside environment with exceptional convenience, being just moments from Hertford town centre and Hertford East railway station, while directly opposite Hartham Common, with its extensive open spaces, riverside walks and leisure centre.

The apartment itself offers bright, well-proportioned accommodation centred around an impressive open-plan living, dining and kitchen space. The contemporary kitchen is fitted with an excellent range of units, while the generous living area provides ample room for both dining and relaxing. Large windows bring plenty of natural light into the property and provide a pleasant outlook towards Hartham Common.

There are two bedrooms, with the principal bedroom benefiting from fitted storage and its own en-suite bathroom, while a separate shower room serves the second bedroom and guests. The accommodation is complemented by attractive wood flooring through the principal living areas and a neutral, well-maintained finish throughout.

The Waterfront is a secure gated development, and the apartment benefits from allocated parking within the underground car park—a particularly useful feature given its central Hertford location. The riverside surroundings are a real highlight, with the development overlooking the water and providing immediate access to attractive walks and green spaces, yet Hertford's shops, cafés, restaurants and everyday amenities remain within easy reach.

For commuters, Hertford East station is only a short walk away, making the property particularly well placed for rail connections while retaining the tranquil feel of a waterside development.
