The Willerby New Holland Lodge is designed for those who want the space, comfort, and quality of a true retreat. With its clean, contemporary styling and generous proportions, it feels more like a modern apartment than a traditional holiday home. Step inside and you're welcomed by a bright, open-plan living area where large windows bring the outdoors in, creating a calm and airy atmosphere. The lounge offers plenty of room to unwind after a day exploring Snowdonia, while the dining area and fully equipped kitchen make it easy to host family and friends. Thoughtful details throughout, from soft lighting to quality finishes that give the lodge a refined, high-end feel without sacrificing warmth or comfort. The bedrooms are designed as peaceful spaces to recharge, with ample storage for longer stays, while the main bathroom and en-suite add everyday practicality.
