CREDITON is a vibrant market town with a bustling high street full of independent shops, eateries, and pubs. In recent years a diverse arts scene has grown to include all manner of mediums, with the performing arts making use of the town's market square where, in the summer months, a range of activities take place. The market square is also home to the town's twice-monthly farmer's market. The town has an equally significant past. It was originally the first Bishopric in Devon and the imposing Parish Church of The Holy Cross now stands where once stood Devon's first Saxon cathedral (909-1050AD). It is also the birthplace of Saint Boniface, one of the founding fathers of the Christian church in Europe. Easily commutable to Exeter and with two primary schools, a secondary school with sixth form as well as a wide range of necessary amenities, it's clear why the town is a firm favourite with locals and relocators alike.

DIRECTIONS : From Crediton head on the A3072 towards Tiverton, after the Rugby Club take a right turn onto Bramble Lane then left onto Willow Walk. Keep ahead until you reach the newer homes and number 98 can be found along to the left.
