THE PROPERTY

Occupying an attractive position within one of Storrington's popular residential developments, this well-maintained detached home provides spacious and versatile accommodation extending to approximately 1,426 sq ft, including the double garage.

The front door opens into a welcoming entrance hall, which provides access to all principal ground floor rooms. Positioned immediately to the right is a recently refitted WC and stairs lead to the first-floor accommodation.

The sitting room is a bright and comfortable reception space, enjoying excellent natural light and providing ample room for everyday family living. Sliding double doors connect through to the dining room, creating a sociable flow between the two reception areas whilst allowing flexibility to separate the spaces when desired. The dining room enjoys views over the rear garden and benefits from a door leading directly outside, making it ideal for entertaining.

To the rear of the property, the kitchen/breakfast room forms the heart of the home and is fitted with a comprehensive range of matching shaker-style wall and base units. Integrated appliances include a dishwasher, double oven and five-ring gas hob, whilst a chrome inset sink and generous worktop space provide practicality for day-to-day living, whilst there is also ample room for a breakfast table. Leading from the kitchen is a useful utility room featuring an additional inset sink, further storage and space for freestanding appliances. A connecting door also leads directly into the double garage.

On the first floor, a central landing provides access to all bedrooms and the family bathroom. The principal bedroom is a generous double room enjoying an easterly aspect with attractive views across Storrington towards the South Downs National Park. Bedroom two is another spacious double room overlooking the rear garden, whilst bedroom three is a versatile single bedroom currently utilised as a study, making it ideal for home working, a nursery or guest accommodation. Completing the internal accommodation is a modern refitted family bathroom fitted with a contemporary suite comprising a panel-enclosed bath with overhead rainfall-style shower, wash hand basin, WC and heated towel rail.

OUTSIDE

The property is approached via a private driveway providing off-road parking and access to the double garage, which benefits from an electric roller door and useful storage space above.

To the rear, the south/westerly facing garden enjoys an excellent degree of privacy and seclusion, creating a wonderful setting for outdoor relaxation and entertaining. A generous patio spans the full width of the property, providing ample space for outdoor dining and seating. Timber sleepers separate the patio from the lawn beyond, where well-stocked flower beds are interspersed with mature shrubs and established trees, creating colour and interest throughout the seasons.
