

Hessle Road, Hull, HU3 4EJ

This property presents an excellent opportunity to acquire an investment asset arranged over three floors. The ground floor comprises a particularly spacious unit, previously utilised for retail purposes; however, it should be noted that a commercial licence will need to be obtained.

The first and second floors accommodate a generously proportioned three-bedroom flat.

The property is deceptively spacious and briefly comprises, at ground floor level, a large unit with a rear reception room, separate kitchen, WC/shower room, and preparation room.

To the first floor, there is a spacious lounge, fitted kitchen, bathroom, and an additional reception room which may also be used as a third bedroom.

The second floor offers two further bedrooms, one of which benefits from fitted wardrobes.

The property also benefits from gas central heating and double glazing throughout.

This versatile property offers excellent development potential and represents an opportunity not to be missed.

Please note that the property is currently held under a residential title, although it has previously been used for mixed-use purposes.
