Located within the York Square Conservation Area, this beautifully presented two-storey house combines period proportions with modern finishes and a highly efficient layout. The ground floor is thoughtfully arranged around a central staircase, creating clearly defined kitchen, dining and living areas that maximise usability while maintaining a semi open-plan feel.

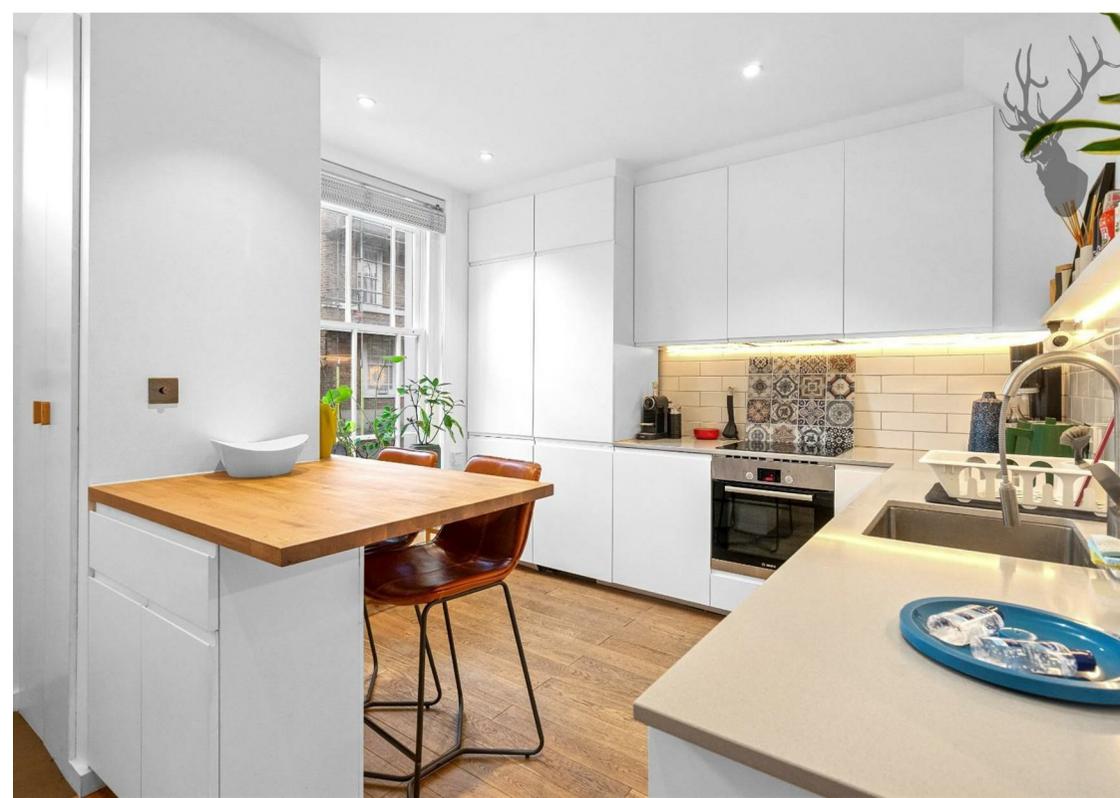

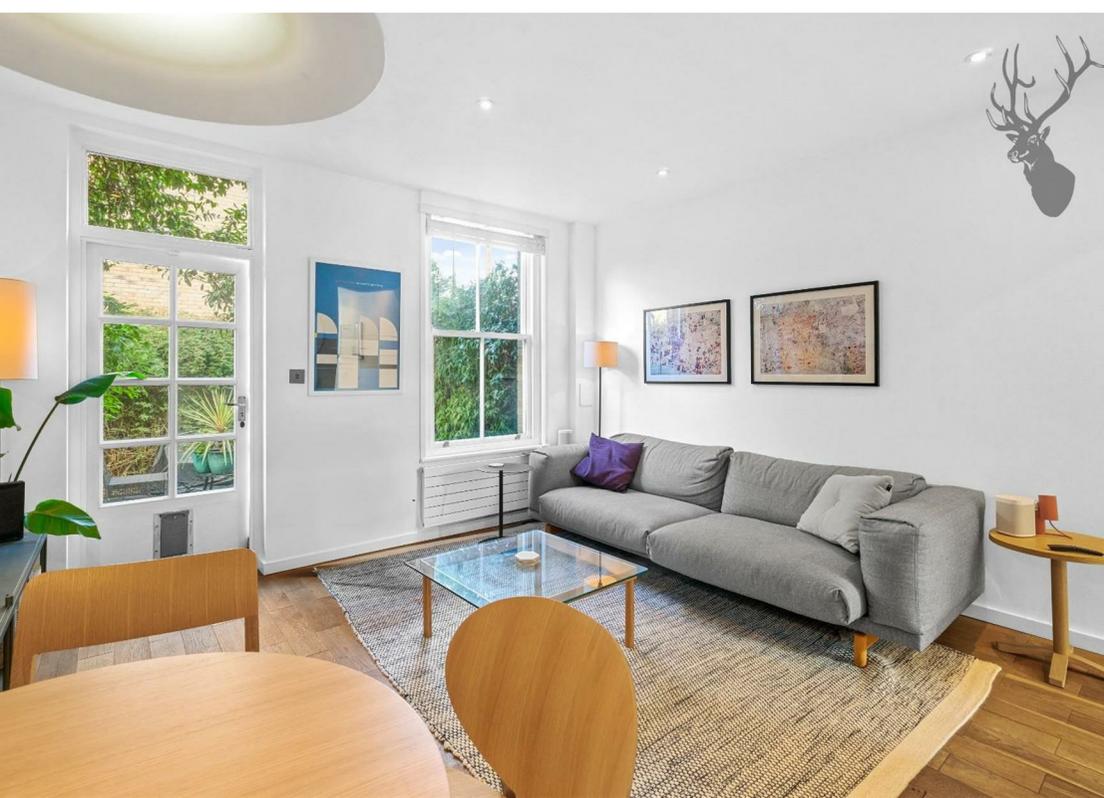

The kitchen is finished with sleek quartz worktops and integrated appliances, while engineered hardwood flooring runs throughout the home. A dedicated laundry cupboard houses both a washer and dryer, keeping day-to-day living clutter-free.

Upstairs, there are two genuine bedrooms, well separated for privacy. The principal bedroom benefits from built-in wardrobes, while a modern family bathroom completes the first floor. A functional loft space provides valuable additional storage.

To the rear, a private landscaped garden offers a quiet and secluded outdoor space, ideal for relaxing or entertaining. Despite its compact footprint, the house is exceptionally well planned and suits professional couples, downsizers or buyers moving from a flat who value condition, privacy and outdoor space over excess square footage.

Limehouse DLR and National Rail station is just moments away, providing fast connections to Canary Wharf, the City and beyond. Offered chain free and ready to proceed.
