This charming Victorian maisonette offers a rare opportunity to own a spacious property in one of Clevedon's most sought-after areas, conveniently close to the scenic seafront and the vibrant Hill Road area with its collection of boutique cafes, bars, and diverse dining options, all just a short walk away. This home combines the charm of period features with fantastic potential for future enhancement, making it ideal for buyers seeking a unique blend of character and opportunity.

Accessed via a private side entrance, a staircase leads up to the first floor, where a welcoming dining hall forms the central hub of the home. High ceilings, original sash windows, and well-preserved internal doors lend a sense of grandeur and timeless appeal to the property. The formal sitting room at the front overlooks the picturesque Alexandra Gardens, flooding the room with natural light and providing a tranquil view of the greenery. The principal bedroom also shares this pleasant view, enhancing its serene ambiance. At the rear of the property, the second bedroom offers its own distinct appeal with elevated views across rooftops toward the distant Bristol Channel.

The layout also includes a separate kitchen and a bathroom, each offering great potential for modernisation, allowing new owners to personalise these spaces to their taste. In addition to the main rooms, the property features several rooms in the loft, currently only accessible by a pull-down ladder and used as storage, yet offering exceptional scope for additional accommodation, subject to necessary permissions. This versatile space opens up exciting possibilities for expanding the layout.

With No Onward Chain, this property is ready for immediate occupancy, providing an ideal canvas for those looking to add their own style while enjoying the vibrant lifestyle of Clevedon's most desirable area. We highly recommend an internal viewing to appreciate the ample space, period character, and exceptional potential of this delightful Victorian maisonette.
