Ground Floor

This impressive home welcomes you through a sheltered porch into a generous entrance hallway, where stairs rise elegantly to the upper floors. Straight ahead sits a sleek, modern ground floor w/c, designed with a built-in storage cupboard, converted from a shower, but retaining original pipework – easy to revert back, an ideal scenario for rinsing off after a day at the beach before heading upstairs to the main living areas. To the right, a door opens into a substantial garage space, complete with a sauna room for indulgent relaxation. Beyond, a second garage area offers further flexibility, both rooms benefiting from wide glass doors for effortless manoeuvring of vehicles, motorbikes or sporting equipment. There is excellent potential to remove the central dividing wall, transforming the area into one expansive garage or an impressive games, leisure or activity space.

First Floor

The heart of the home unfolds on the first floor, where a breathtaking open-plan lounge, kitchen and dining area is framed by uninterrupted panoramic sea views. Folding doors open the space entirely onto a south-facing balcony, bordered by glass balustrades and laid with artificial grass that allow the coastal scenery to take centre stage. Sunlight pours in throughout the day, while electric canopies offer shade when desired. The lounge is complimented by ambient lighting and anchored by a contemporary log-burning fire, adding warmth and elegance. The sleek kitchen features high-end integrated appliances, a breakfast bar and an abundance of natural light from the striking skylight overhead. This level is completed by a separate utility room and an additional w/c for convenience.

Second Floor

Ascending to the second floor, the accommodation continues to

impress. Bedroom three is a comfortable double room with a modern three-piece en-suite, making it ideal for a teenager or guest suite. Further along the landing lies bedroom four, another double room currently used as an art studio, enjoying inspiring sea views. Adjacent is bedroom two, a spacious and serene double with large sliding glass doors framing spectacular coastal outlooks. Completing the floor is a beautifully styled family bathroom, featuring a large walk-in shower, dual sinks and w/c, finished in a fresh, calming palette of green and natural tones.

Third Floor

Crowning the home is the show-stopping first bedroom – a sanctuary designed for both luxury and tranquillity. This expansive bedroom opens onto its own private balcony, finished with artificial grass, creating a perfect retreat to unwind while soaking in the coastal masterpiece ahead. A walk-in wardrobe offers effortless storage, while the en-suite bathroom adds everyday convenience. Electric blinds elevate the experience further, allowing you to wake to spectacular sunrise sea views at the touch of a button – a daily reminder that this is a home where life feels like a holiday.
