"Southville is a vibrant area while still feeling friendly and peaceful. We've loved the independent cafés, bakeries, local shops and nearby green spaces, as well as being able to walk into the city centre in around 25 minutes. It's also easy to get anywhere by bus (there's even a direct one to the airport, which has been a lifesaver). It's been a brilliant place to raise a family with excellent schools close by. It's a neighbourhood that's easy to settle into and hard to leave."
