Property Description

This versatile and deceptively spacious four double bedroom property is ideally situated in the heart of the highly sought-after seaside village of Woolacombe, enjoying far-reaching sea views and offered to the market with no onward chain.

An excellent opportunity for a variety of buyers, the property would make a superb lock-up-and-leave holiday home, while also offering exciting potential to convert into two self-contained flats (subject to the necessary planning permissions).

A particular highlight is the generous off-road parking for three vehicles — a rare and valuable feature within Woolacombe.

The property welcomes you via an inviting entrance hall with ample space, setting the tone for the well-thought-out accommodation throughout. On the ground floor a unique and well-designed 'Beach Room' provides three shower cubicles, a W/C, hand basin, and useful storage — perfect for rinsing off after a day on the beach.

To the first floor a spacious landing leads to a superb open-plan L-shaped living area thoughtfully arranged to maximise light and views. The modern fitted kitchen features a range of wall and base units, integrated white goods, electric hob and oven with extractor over and space for a freestanding double fridge freezer. A breakfast bar provides a sociable dining option while the lounge area benefits from double doors opening onto a balcony with stunning sea views stretching towards Lundy Island. There is ample room for a dining table and chairs as well as additional seating to fully enjoy the outlook.

Also on this level is a versatile fourth bedroom or reception room, a well-proportioned space with storage and double doors opening onto the sunny low maintenance rear garden. A contemporary three-piece shower room and a utility cupboard with space and plumbing for a washing machine and tumble dryer complete the floor.

The second floor offers a bright landing with access to three further double bedrooms and two shower rooms. The main bedroom enjoys fantastic sea views, as does the second bedroom both being light and generously sized. The third bedroom, located to the rear is currently used as a home office/yoga space and offers excellent flexibility.

The accommodation is further complemented by a modern three-piece shower room with corner cubicle shower, W/C and hand basin, alongside an additional shower suite comprising three individual cubicles — one shower and two separate W/Cs — all with access to hand basins, offering potential to reconfigure into a full bathroom suite if desired.

Externally, the property benefits from a sunny, low-maintenance rear garden, ideal for outdoor dining with space for a bistro set and potted plants, and direct access to the driveway and parking area.

This is a rare opportunity to acquire a flexible coastal home in a prime location, with strong lifestyle appeal and future potential.
