Description

Stretton Road is located on the fringes of Shirley benefitting from being in close proximity to open countryside.

The property falls within the catchment area for Light Hall Secondary School which can be found in nearby Hathaway Road, with infant schooling being at Woodlands Infant School and junior schooling at Shirley Heath. Also nearby, on the main Stratford Road, you will find Our Lady of the Wayside Roman Catholic Junior and Infant School and in Solihull on Whitefields Road is St Peter's Roman Catholic Senior School, although all education facilities are subject to confirmation from the Education Department.

The main shopping centre in Shirley offers a wide choice of Supermarkets, convenience and speciality stores, restaurants and hostelries and there are frequent bus services running along the A34 into Birmingham City Centre and Solihull Town Centre – boasting the vibrant and modern Touchwood Centre offering shopping facilities and evening entertainments. Shirley has its own train station in Haslucks Green Road, providing a train service to Birmingham City Centre and Stratford upon Avon.

An ideal location therefore for this extended modern French style detached house which sits back from the road behind a front driveway with lawned foregarden. The property has been in the current ownership since it's original construction in the late 1970's and therefore does require some updating in part; but the internal changes that have already been made and the erection of the side garage with storage room over are great additions and any new owner with the right vision could reconfigure the accommodation to suit the needs of most families.
