The Property

Tucked away along a private road, this spacious three-bedroom detached bungalow enjoys a wonderfully secluded setting, offering excellent privacy, generous accommodation and established gardens. With an en-suite principal bedroom, spacious living accommodation and ample driveway parking, this property is ideal for those seeking peaceful, single-storey living.

Upon entering, a large entrance hallway provides access to the accommodation throughout. The fitted kitchen offers ample cupboard and worktop space, with a useful utility area providing direct access to the rear garden. The spacious living room is positioned towards the rear of the bungalow, featuring double doors opening onto the garden, creating a lovely space for relaxing or entertaining. The principal bedroom is a generous double, benefiting from a fitted wardrobe and private en-suite shower room. Bedroom two is an exceptionally spacious double, whilst bedroom three is also well-proportioned and could alternatively serve as a home office. A family bathroom, recently updated with a new unit and tiling, completes the accommodation.

Outside, a private driveway provides off-road parking. The enclosed rear garden is a particular highlight, surrounded by mature trees and established greenery, creating a wonderfully peaceful and secluded environment. A patio area offers an ideal space for outdoor dining, whilst the lawn provides plenty of room to enjoy the surroundings. An additional side garden offers excellent potential for a large storage shed, vegetable patch or further gardening space.

Combining generous single-storey accommodation, established gardens and an exceptionally private position, this bungalow presents a fantastic opportunity for those seeking a peaceful home tucked away from passing traffic.

What the Agent Loves!

What I love most about this bungalow is not only the fantastic size of the accommodation, but its wonderful position. It genuinely feels like it's in its own little bubble, tucked away from the hustle and bustle. When I visited, there were birds singing and squirrels enjoying the garden, which really highlighted just how peaceful and private the setting is. It's clear this has always been a very well-loved and carefully maintained home, and I think it's a fantastic opportunity for someone looking for space, privacy and a relaxed lifestyle.
