The Detail

A most spacious, high-specification detached family home of immense style and character, set within a beautiful private and mature plot in one of Allestree's most sought-after locations. Thoughtfully extended and remodelled, this stunning property offers a substantial and well-proportioned layout with around 3,500 square feet of living accommodation.

Entry is through an enclosed porch leading into a particularly spacious reception hallway, creating an immediate sense of scale. Open-plan access flows into the dining area, where French doors open to the rear garden and plantation shutters provide an elegant finish. The generous living room enjoys windows to two elevations and further French doors to the garden, while a separate front office offers a dedicated workspace.

The exceptionally spacious dining kitchen forms an impressive central hub, fitted with contemporary handleless units, quartz work surfaces and Siemens appliances, including twin ovens, a gas hob set into the island, extractor canopy and double wine cooler. Additional features include porcelain tiled flooring and LED downlighters. The kitchen benefits from excellent natural light, with a dual aspect comprising a front-facing window and French doors to the rear garden. There is also access to a separate utility room, boiler/store room and a contemporary ground-floor shower room.

A beautiful staircase leads to a spacious and impressive galleried landing with bay window. From here, there is access to three double bedrooms, a contemporary bathroom and an inner landing that opens onto a large balcony overlooking the rear garden, with stairs rising to the second floor. The stunning primary suite features a dressing area, bespoke wardrobes and a contemporary en-suite shower room. Bedroom two also benefits from its own en-suite shower room. The versatile second floor offers three defined areas, providing potential for a bedroom, dressing area and gym, with scope to create an additional en-suite bathroom.

Outside, one of the property's true highlights is its generous and private mature plot. The home is approached through remote-controlled timber gates leading to an extensive block-paved driveway and a large detached garage. The beautifully landscaped rear garden features shaped lawns, mature trees, shrubs and planted borders, along with a raised patio, composite decking and a covered hot tub area.
