A fantastic opportunity to acquire this well presented two bedroom ground floor apartment, forming part of an attractive stone-built development in a popular S6 location. Offered to the market with no onward chain, a long lease and allocated parking, the property is perfectly suited to first time buyers, downsizers or investors looking for a ready-to-go home in a convenient residential setting.

The accommodation offers a welcoming entrance hallway which provides access to all rooms. The lounge/diner is a lovely bright space, enjoying a feature bay window and enough room for both comfortable seating and a dining area, creating a practical everyday living space.

The kitchen is positioned separately and fitted with a range of wall and base units, worktop space and appliance points, making good use of the layout. There are two bedrooms, with the main bedroom being a well-proportioned double and the second bedroom offering flexibility as a guest room, dressing room or home office if required.

The bathroom is fitted with a three-piece suite including bath with shower over, wash basin and WC. The apartment is neutrally presented throughout and offers a straightforward move for buyers wanting something low maintenance.

Externally, the development benefits from allocated parking, visitor-style parking areas and well kept communal surroundings. Queenswood Road is well placed for access to local amenities, public transport links and routes into Hillsborough, Sheffield city centre and surrounding areas.
