Three double bedrooms & Large loft room

Downstairs bathroom & upstairs W.C

Good size garden

Single garage

WHAT'S GREAT?

A spacious three double bedroom home situated in the popular town of Rushden, offering impressive accommodation throughout and excellent potential. While the home would benefit from some cosmetic updating, it presents an ideal opportunity for buyers looking to put their own stamp on a generously sized property.

The property benefits from a fantastic additional loft room, creating a highly versatile space that could be used as a home office, playroom, hobby room, or occasional guest area.

To the ground floor, there is a well-proportioned lounge leading through to the kitchen, which in turn opens into a spacious conservatory overlooking the garden. Also on this level is a downstairs bathroom, a useful utility area and internal access to the garage.

The first floor offers three large double bedrooms along with a separate WC. The master bedroom further benefits from ample built-in wardrobe space. Stairs then continue to the loft room, which is carpeted and features a Velux window, making it a bright and substantial additional living space.

Externally, the rear garden feels private and offers a blank canvas for landscaping to personal taste. It currently includes a pond, patio area, lawn, and access into the garage.

Offered to the market with no onward chain and a motivated vendor, this property must be viewed to fully appreciate the space, flexibility and potential on offer.

We have loved how much space this home offers, particularly the large loft room which has been incredibly versatile for our needs. The layout works well for both family life and home working, and the garden feels private while offering plenty of potential to be landscaped.
