Rawlinson and Webber are delighted to present this charming three-bedroom semi-detached home, offering an excellent opportunity for buyers to renovate and extend (STPP) and create a home tailored to their needs. Positioned on a highly sought-after residential road, the property is just moments from the well-regarded St. Alban's Catholic Primary School, allotments, as well as Molesey Heath.

The ground floor comprises a spacious entrance hall with staircase access and built-in storage. A generous through lounge/dining room provides an ideal entertaining space and opens into a bright, south-facing conservatory. The kitchen offers ample units and provides additional access to the rear garden and connects to a substantial store room, presenting excellent storage capacity or scope for future reconfiguration and enlargement.

Upstairs, a large landing leads to three well-proportioned bedrooms, including two doubles and a good-sized third bedroom. A family bathroom completes the accommodation. In addition, there is a substantial loft space offering further potential for extension (STPP).

Externally, the property benefits from off-street parking for multiple vehicles and a very large, sunny south-facing rear garden overlooking allotments, creating a pleasant and private outlook.

Sold with immediate vacant possession.
