Positioned within the sought-after village of Ansty, this spacious and well-presented coach house offers an impressive 984 sq ft of accommodation, combining generous room proportions with a practical and versatile layout — ideal for professionals, downsizers or investors alike. Accessed via its own private entrance, the property immediately feels more like a house than a typical apartment. The ground floor provides an entrance lobby with staircase rising to the main accommodation, offering privacy and separation from the living spaces above.

The first floor opens into a wide central hallway, creating a natural flow throughout the home. At the heart of the property is the superb open-plan kitchen/reception room, an exceptionally large and light-filled space measuring over 33 feet in length. This room easily accommodates distinct living, dining and entertaining zones, making it perfect for both everyday living and hosting guests. Double doors open to a Juliet-style balcony, allowing natural light to flood the room and enhancing the sense of space. The kitchen area is thoughtfully arranged with ample worktop and storage space, ideal for keen cooks while remaining sociable and open to the living area.

The property offers two well-proportioned double bedrooms, both positioned to the rear of the apartment for privacy and quiet. Each bedroom benefits from excellent built-in storage, with the principal bedroom featuring a range of fitted wardrobes. The second bedroom is equally generous and well-suited as a guest room, home office or additional double bedroom.

A modern family bathroom serves the bedrooms and is fitted with a white suite including a bath with shower over, wash hand basin and WC, finished with practical and neutral tiling. There is also a useful storage cupboard off the hallway, further enhancing the apartment's strong sense of practicality.

The layout maximises space throughout, with clearly defined rooms, excellent ceiling heights and a feeling of openness rarely found in similar properties. Being set above garages, the apartment benefits from minimal neighbouring walls, further enhancing privacy and tranquillity.

Externally, the property enjoys the rare advantage of two allocated parking spaces, located to the rear within a private forecourt, providing convenient and secure off-road parking. The apartment is held on a long lease with approximately 144 years remaining, and a share of freehold offering peace of mind for both owner-occupiers and investors.

Located in Ansty, the property enjoys the charm of village living while remaining extremely well connected. Haywards Heath mainline station is within easy reach, offering fast and direct services to London and the south coast. The village itself is well regarded for its community feel, green spaces and proximity to open countryside, while nearby Haywards Heath provides a wide range of shops, cafés and amenities. The apartment is situated within a well-established and well-maintained development that is professionally managed and thoughtfully cared for. The estate benefits from a low annual cost, ensuring an attractive and cost-effective environment that residents can enjoy with confidence. Altogether, this is a location that combines charm, convenience and quality of life in equal measure.

This is a rare opportunity to acquire a spacious, low-maintenance home in a highly desirable location — offering the independence of a house with the convenience of apartment living.
