The Property

Upon entering the communal hallway, stairs and lift provide access to all floors including to the underground parking space. A personal front entrance door leads through to the roomy, welcoming entrance hallway with an airing/storage cupboard and doors then lead off to all principal rooms. The lounge/dining room is of a very generous size and offers ample space with this leading out onto a balcony that provides a most pleasant sea view of Poole Harbour and Brownsea Island. The stylish modern fitted kitchen has ample soft closing units and draws, integrated appliances to include Neff double oven and grill with slide and hide glass door, Neff hob, Bosch dishwasher and there is a Herringbone patterned tile effect floor. This wonderful apartment benefits from three double bedrooms with an en-suite plus fitted wardrobes to the master and there is the

opportunity to use bedroom three as a home office. A spacious family bathroom with a white three-piece suite then completes the accommodation.

The development is set within very well-maintained communal grounds and it is on the door step of the shopping centre, the main bus/coach terminal, Poole Park, a main line London Railway station, Baiter Park and Poole Quay. We have been informed that there is an allocated underground parking space conveyed with the apartment and we feel that the property would be ideal for a first-time purchase, holiday home to enjoy and explore the local area or buy to let.
