Sometimes a house just feels like a home - this is no exception. In fact previously it was a family home and it has been much loved and looked after.

This Victorian Villa style house has a great sense of space. Boasting 4 good sized furnished double bedrooms, a comfy lounge and a kitchen diner to die for this is a real contender. The space is everywhere. There is a convenient downstairs WC and utility room, a beautifully finished family bathroom upstairs with both a tub and a large walk in shower. Carpeted throughout and with Gas Central heating this is a beautiful Student let. With on-street parking available and a good sized, well maintained back garden this house has a great feeling about it.
