56a Spitalfield Lane

Chichester, Chichester

56A Spitalfield Lane is a two-bedroom flat occupying the first and second floors of a handsome Victorian semi-detached house on the eastern side of Chichester city centre. The property has been refurbished to a good standard throughout and is offered leasehold, with a share of freehold available to purchase at additional cost — details on request.

The flat is entered at ground floor level via a private hallway with stairs rising to the first floor landing. On the first floor, the sitting room is a generous space measuring 15'5 x 13'9, with recessed LED lighting, carpet and an original ornate fireplace surround — a period feature that gives the room real character.

The kitchen is fitted with sage-green shaker-style cabinetry, quartz worktops, an integrated oven, induction hob and extractor, with open metal shelving above and a side-facing window providing natural light. A second bedroom on this floor measures 9'1 x 7'3 and works well as a single room, home office or dressing room. The bathroom is finished to a good standard with a bath, overhead shower, WC and wash hand basin, and is tiled throughout in a bold geometric pattern.

Stairs from the first floor landing rise to the second floor, where the principal bedroom occupies the full footprint of the upper level, measuring 14'8 x 13'5. The room has a characterful vaulted ceiling line with two Velux roof lights providing good natural light, an electric panel radiator and useful eaves storage to one side.

Outside, the property benefits from a private rear garden laid to lawn, enclosed by timber fencing with a rear gate. A private gravel off-street parking space is situated to the rear of the building, accessed from Melbourne Road.

Spitalfield Lane sits on the eastern side of Chichester, within easy walking distance of the pedestrianised city centre, St Richard's Hospital and the University of Chichester. The city offers a wide range of shops, restaurants, cafes and leisure facilities, as well as the Pallant House Gallery and the Chichester Festival Theatre. The South Downs National Park is approximately 2.5 miles to the north, and Chichester Harbour, Chichester Marina and the beaches at West Wittering are within easy reach to the south-west. To the north of the city, the Goodwood Estate hosts the Festival of Speed, Goodwood Revival and a season of horseracing. Chichester station provides rail services along the coast to Portsmouth and Brighton and to London Victoria, with bus stops also close by.
