A stylish and luxuriously appointed 4/5 bedroom detached home occupying an enviable position on the rural fringes of Huby, a thriving village just 7 miles from York. Beautifully presented throughout, the property offers 3 elegant reception rooms, a study, stunning kitchen, 2 contemporary en-suite shower rooms, landscaped gardens, a gated driveway and double garage.

Believed to have been originally built in the 1950's, extended in the 1980's and comprehensively remodelled and refurbished by the current owners in 2021, this exceptional family home offers approximately 2,392 sq ft of beautifully appointed living space. Ideally positioned just 2.5 miles off the A19 commuter route and only 4 miles from the Georgian market town of Easingwold, it also enjoys easy access to Huby's excellent village amenities including a community run shop and post office, primary school, Cantonese restaurant and a cosy country pub serving great burgers and craft beers.

An impressive 22'6" (6.86m) reception hall with a walk-in coat cupboard provides a striking welcome to this stunning home. From here, doors lead off into an elegant formal dining room with a feature fireplace, a spacious living room with front garden views, a superb home office and a cosy snug with French doors opening onto the beautifully landscaped rear garden.

It should be noted that this highly versatile room has previously served as a ground floor 5th bedroom, complemented by the adjoining walk-in store room which was formerly configured as an en-suite shower room. The original plumbing remains in situ, allowing the shower room facilities to be reinstated with relative ease, should a purchaser wish to do so.

The stunning kitchen has been designed with both family life and entertaining in mind, centred around a substantial quartz topped island with a breakfast bar and complemented by extensive cabinetry, generous preparation space, boiling hot water tap and a range of integrated appliances including a dishwasher, induction hob with Air Force New Moon island cooker hood above and an eye-level double oven and grill.
