## Details

### Entrance Hall

A timber door with glazed inserts and overhead leads to the entrance hall, where there is a wall light point and access can be gained to the following rooms:

### Living Room

This reception room is positioned at the front of the property and enjoys natural light via a uPVC double-glazed window. The focal point of the room is a timber fire surround with a marble hearth, home to a living flame gas fire. There is coving to the ceiling and a ceiling light point.

### Kitchen Diner

Offering an open-plan aspect, the kitchen area has a range of wall and base cupboards, drawers, roll-edge worktops, which extend to form a breakfast bar, and a stainless steel sink unit with a mixer tap. There is space for a freestanding oven, space for a fridge freezer and plumbing for a washing machine. A uPVC double-glazed window overlooks the rear garden and this area is home to the Vokera central heating boiler. The dining area has space for a table, coving to the ceiling and a ceiling light point. From here, a timber door gives access to the rear entrance.

### Rear Entrance

A uPVC door provides access to the rear garden. There is a ceiling light point and a staircase rising to the first floor accommodation.

### First Floor Landing

The landing has two ceiling light points and a useful storage cupboard with shelving, perfect for storing linen.
