Chesil Walk

Corby, NN18 0DN

PROPERTY SUMMARY

Chesil Walk is a three-bedroom semi-detached home in Corby, offered to the market with no onward chain and presenting a great opportunity for buyers looking to refurbish and add value. The accommodation is arranged with a spacious lounge/dining room providing a versatile main reception space, alongside a separate kitchen, with useful storage and a practical layout that is easy to improve and personalise over time. Upstairs, there are three bedrooms and a family bathroom, making it a solid option for first-time buyers, families or investors who are comfortable taking on a project. A particularly rare and valuable feature for this style of home is the off-road parking to the rear, providing space for at least two cars, which is a major benefit in a residential setting where parking can often be limited. With no chain and clear potential to modernise throughout, this is a property that suits buyers wanting a straightforward purchase and the chance to create a home to their own taste.
