& ALLEN

91 WELLINGTON HILL WEST

HENLEAZE, BRISTOL, BS9 4SH

£465,000

A three-bedroom, 1930s family home located on a popular road in Henleaze. In need of some modernisation, the property boasts excellent potential and offers two reception rooms, a separate kitchen, a garage, off-street parking and a large south-westerly facing garden. Offered to the market with no onward chain.

Ground Floor

An original front door with a beautiful leaded glass surround gives way to a wide entrance hall; providing access to the staircase and ground floor rooms.

The front reception room is a particularly welcoming space, offering generous proportions and retaining picture rails, coving, and a large double-glazed bay window allowing for a wealth of natural light to flood the space throughout the day. The second reception room is adjacent, and makes for an ideal dining space with sliding glass doors framing the rear garden.

At the rear of the house, an extended galley kitchen comprises a range of base and wall-mounted units with worktops and tiled splashbacks, with plenty of space available for freestanding appliances. With a large window to side and an external door to the garden, the kitchen enjoys light from two directions.

First Floor

Ascending to the first floor landing, you will find three sizeable bedrooms and a family bathroom.

The main bedroom is a bright, bay-fronted double with fitted storage, and the second bedroom is similarly-sized with a pleasant view of the garden. Bedroom 3 is a large single, and makes for an ideal home office, nursery, guest room or study.

Completing the accommodation is a three-piece family bathroom, encompassing a toilet, sink and bath with shower over.

Externally

From Wellington Hill West, a gate opens to a lawned front garden, with shallow steps leading to the front door.

The rear garden is perhaps one of this property's most attractive features; offering ample space for a rear extension if desired (STPP). Primarily laid to lawn, the garden enjoys a south-westerly facing aspect, benefitting from sunlight throughout the day.

Towards the end of the garden, you will find a secure single garage, as well as a driveway served by a rear access lane.
