STYLISH LIVING WITH SWEEPING RURAL VIEWS!

The accommodation is both generous and thoughtfully arranged, with a welcoming living room forming the heart of the home. Filled with natural light, it features patio doors opening directly onto the garden, creating a seamless flow between indoor and outdoor living.

The stylish modern kitchen is designed with both form and function in mind and is complemented by an adjoining utility room, keeping everyday life neatly organised. A particularly valuable feature is the separate home office, accessed externally to the rear of the garage - ideal for remote working, a studio or hobby space.

There are three generous bedrooms, all served by a contemporary family bathroom finished to a high standard.

The property is fully electric, with central heating and hot water supplied via an air source heat pump, offering efficient, low-running-cost living with no requirement for oil tank refills or a gas standing charge. There is also excellent potential for the property to become largely self-sufficient through the future installation of solar panels and battery storage.

“beautifully landscaped wrap-around garden is mainly laid to lawn.”
