A spacious 1930s semi-detached family home with three double bedrooms, a through lounge, integral garage, and a south-westerly facing garden, set within a sought-after part of Enfield.

This 1930s semi-detached home offers generous living space, a practical layout, and excellent potential for modernisation, making it an appealing choice for families looking to put their own stamp on a property.

The ground floor features a spacious through lounge with windows to both the front and rear, creating a bright and flexible living and dining area with direct access to the garden. A separate fitted kitchen provides good storage, worktop space, and a larder cupboard, with access to both the rear garden and integral garage. A ground floor WC and storage cupboard in the hallway add further convenience.

Upstairs, there are three double bedrooms, all well-proportioned, served by a first-floor wet room with walk-in shower and a separate WC. Additional storage is available via the loft and built-in cupboards.

The south-westerly facing garden is a real highlight, enjoying plenty of afternoon sun and offering a mix of patio, lawn, and planting areas, along with a side gate for access. The property also benefits from an integral garage with power and lighting, as well as off-street parking to the front.

Links Side is a quiet, leafy residential turning ideally positioned for families, being within the catchment of sought-after schools, and within easy reach of Enfield Town and Cockfosters, with their wide range of shops, restaurants, and leisure facilities, as well as various parks and green spaces. Frequent local bus services connect the short distances to stations at Enfield Town (Weaver Line to Liverpool Street), Enfield Chase (Hertford Loop Line to Moorgate), and Oakwood (Piccadilly Line), all providing easy access to central London, while for motorists the A10 and M25 are within easy reach.

This bright and spacious family home in one of Enfield's most desirable residential locations requires some updating while having plenty of scope to extend to the rear and in the loft (STPP)
