Location

Donisthorpe village is located approximately three miles south-west of Ashby-de-la-Zouch, within North West Leicestershire. The village offers a public house and village shop, is served by a local primary school, and falls within the catchment area for Ivanhoe College and Ashby School. Historically, Donisthorpe was home to Donisthorpe Colliery, which closed in 1990. The former colliery site has since been transformed into Donisthorpe Woodland Park, with land acquired from British Coal now forming part of the National Forest. The woodland park connects to the Wolds Heritage Trail, Moira Furnace and canal, as well as the National Forest Visitor Centre at Moira. Conkers Discovery Centre and Conkers Waterside Centre are both within walking distance, while Hicks Lodge, a popular destination for walking and cycling, is just a short distance away. More comprehensive facilities can be found in the nearby towns of Swadlincote and Ashby-de-la-Zouch, both easily accessible by road.

Accommodation Details - Ground Floor

From the front elevation, a traditional doorway leads into the entrance porch, which in turn opens into a good-sized hallway. Staircases rise to the first floor and descend to the basement room. Doors lead off to both the left and right, providing access to two of the three reception rooms found across the ground floor. To the right is a bay-fronted reception lounge, while to the left is a flexible reception room suitable for use as a formal dining room, study or playroom. Continuing along the hallway, the property opens into the open-plan living kitchen, creating the perfect space for modern family living and entertaining. Completing the ground floor are a utility/WC and a garden room.

First Floor

The staircase accessed from the entrance hallway rises onto the first floor landing where doors lead off allowing access into all four bedrooms and the main family bathroom. Bedrooms one, two and three are all generously sized double rooms with bedroom one having the added benefit of views overlooking the rear gardens. Bedroom four is a versatile room that would make a perfect dressing room, home office or nursery. All four bedrooms are serviced via the modern three piece family bathroom.

Outside

Externally, the property benefits from off-road parking to the front elevation via a large driveway, with an adjoining garage providing further parking or storage. To the rear, the property opens out into a sizeable garden, featuring a generous private patio area ideal for entertaining, alongside extensive mature gardens.
