Introduction

This attractive mid town house in popular Pembridge offered for sale with the added benefit of having no vendor chain involved. Located within walking distance of the village amenities as well as an abundance of countryside within very easy reach. Paved garden to the rear and off-road parking to the front. Highly recommended.

Property Description

Entry begins into an entrance hall where coats/hats could be hung. Directly ahead is a door leading to a kitchen with a large connecting opening into a dining area where the stairs to the first floor can be found. The kitchen has been newly updated with a clean-lined, contemporary finish. There is a range of wall and floor units with electric oven and gas hob top, integrated fridge and stainless steel sink. The boiler is housed here. The dining room benefits from having double doors out onto a patio area for times of alfresco dining. The wooden flooring has been continued from the kitchen which creates a pleasing flow from one space to the other and there is a built in cupboard under the stairs for storage purposes.

To the right of the staircase and kitchen is a sitting room with pleasant front aspect looking back into the village. New flooring has been laid and the room has been freshly decorated leaving a bright 'blank canvas' for any new homeowner to make their mark.

Completing the ground floor and accessed from the rear garden is a store room with belfast type sink, power and lighting. A great space for housing any utility appliances.

On the first floor are three bedrooms, loft access, airing cupboard and family bathroom. Bedroom one is dual aspect and as such is light and bright. It has a fireplace with contemporary, electric fire inset. Bedroom two is a double bedroom with front aspect and bedroom three is a single with built in storage cupboard and rear aspect. Bedroom three would lend itself to becoming a home office/hobby room if otherwise desired. The family bathroom has a bath with shower over, traditional hand-basin and WC, radiator and window for added light and ventilation.
