This spacious four-bedroom detached home is situated in a quiet cul-de-sac within the sought-after village of Cranfield. The property offers generous family accommodation, including a living room, separate dining area, garage and driveway.

On entering the property, you are welcomed by an entrance hall with access to the spacious living room and dining room. The living room benefits from a bay window, allowing plenty of natural light into the space, while the dining area features sliding doors leading out to the rear garden. This layout provides a great space for relaxing in the evening, as well as a separate area for family meals and entertaining.

The dining room leads through to the kitchen, which offers ample workspace and space for white goods. From the kitchen, there is access to a separate utility room, which in turn provides access to the single garage and downstairs cloakroom.

The first floor comprises four double bedrooms, three of which benefit from built-in wardrobe cupboards, providing useful storage space. The main bedroom also features an en-suite shower room, while a family bathroom completes the accommodation on this floor.

To the rear of the property is an enclosed garden, designed to be relatively low maintenance with a patio area and separate stoned area. There is also side access leading through to the driveway, which provides off-road parking.
