

75 BROWN STREET | ALTRINCHAM

OFFERS OVER £725,000

A superbly presented and vastly improved architecturally designed townhouse constructed circa 2022 with recently installed smart home systems and contemporary fittings throughout. The spacious accommodation briefly comprises entrance hall, utility room, stunning open plan living/dining kitchen with integrated appliances, primary bedroom with en suite shower/WC, two further double bedrooms and family bathroom/WC. Gas fired central heating, air conditioning, pressurised hot water system and double glazing. Integral garage with EV charging point, off road parking and landscaped rear gardens. Ideal location adjacent to both the village of Hale and town centre of Altrincham.

POSTCODE: WA14 2ET

DESCRIPTION

This contemporary development of ten townhouses was designed by award-winning architects P3 and combines modern construction with beautiful interior design to deliver a high specification family home. Importantly the current owners have placed emphasis on application based intelligent systems and installed lighting by Philips Hue, smart heating by Tado and remotely operated blinds by Luxaflex. Furthermore, there is a video entry system with access panels situated on each level.

This family house is generously proportioned throughout and includes large areas of double glazing to create a naturally light interior with the benefit of gas fired central heating, a pressurised hot water system and the added advantage of air-conditioning.

Upon entering the entrance hall provides access to both a utility room and integral garage and the staircase leads up to two double bedrooms and a luxurious family bathroom/WC. Both bedrooms feature recently installed fitted wardrobes and there is a connection to the private decked courtyard.

The stunning open plan living space is positioned on the second floor and approached beyond a landing with French window opening onto the exceptional rear gardens. Full height glazing adjacent to the dining area provides delightful views across the landscaped grounds and the impressive kitchen is fitted with a comprehensive range of modern units and NEFF integrated appliances complemented by quartz work-surfaces and a matching centre island with breakfast bar. The spacious living area has ample space for a substantial corner sofa and provision for a 100" wall mounted flatscreen television.

At third floor level the primary suite has been thoughtfully designed with stylish fitted furniture and a private terrace with far reaching tree lined views. The superbly appointed sanitary ware includes a tiled shower enclosure, vanity wash basin and separate WC.

Externally the gardens are certainly a feature and incorporate two decked seating areas which are ideal for entertaining during the summer months alongside an expanse of artificial lawn. The integral garage has provision for EV charging and a remotely operated door. In addition there is an allocated space within the development's car park at the rear.

The location is ideal being just a few hundred yards from the village of Hale with its range of individual shops, restaurants and wine bars and railway station. A little further to the north is the comprehensive shopping centre of Altrincham with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options and the Metrolink provides a commuter service into Manchester.

ACCOMMODATION

GROUND FLOOR
