GUIDE PRICE £530,000 - £550,000... An attractive three bedroom semi detached cottage, originally constructed in 1905 and occupying a pleasant semi rural setting with generous gardens and excellent off road parking. The property is set well back from the road with an impressive frontage of approximately 72ft, providing ample driveway parking and giving the cottage an appealing sense of space on approach. Internally, the accommodation is well presented throughout and offers a practical and versatile layout. The ground floor includes a dining room positioned to the front of the property, together with a living room which opens through to the kitchen, creating a sociable main living space. There is also a recently refitted ground floor shower room. To the first floor are three bedrooms, making the property well suited to a family, couple or those looking for additional home working space. One of the particular features of the property is the generous rear garden, which extends to approximately 127ft and enjoys a desirable south westerly aspect. At the far end of the garden there is a delightful outlook over adjoining farmland, while nearby woodland and countryside provide excellent opportunities for dog walking and family walks, including routes towards Thrift Wood Nature Reserve. With its substantial frontage and generous plot, the property also offers excellent potential for extension and further improvement, subject of course to obtaining the necessary planning permissions. Combining the character of an early 1900s cottage with generous outside space, ample parking, countryside surroundings and future potential, this is an appealing home in a pleasant semi rural setting.
